

Safer walking in West Hoathly

The Parish Council has prepared the following map which identifies, in greater detail than a standard O/S map, the public rights of way and permissive footpaths through the villages of West Hoathly and Sharpthorne. These routes provide the main walking routes into, or out of, the villages and Blackland Farm.

The public rights of way and the permissive footpath through Gravetye Woods are identified in red.

The local lanes are rural. On the map, those lanes which have no footways or verges have been highlighted in purple.

These lanes, highlighted in purple are used by fast moving and heavy goods vehicles, therefore walking along them is not advisable.

It is hoped that this map will help you plan your best route through our villages.

Take care and enjoy your stay.
